The Company may settle or enter into a reconciliation for such claim. The Insured shall provide every possible cooperation with the Company by signing a power of attorney or otherwise to the Company to initiate any proceedings.
9. Without prejudice to the rights emerging from Life insurance policies and personal accident insurance policies, and in case of the existence of several compulsory policies against Third Party Liability emerging from the use of the Motor Vehicle issued by more than one Company:
 - a. Compensation shall be divided equally between Insurers in case of death and/or injuries. If the liability is shared (between the Insured and the Third Party/victim/claimant Party) based on the degree of negligence, then the percentage of participation in the negligence shall be taken into account.
 - b. Compensation for property damages shall be divided based on the percentage of the insured amount set out in each policy to total insured amounts in all policies, after the percentage of participation in the negligence is taken into account.
10. On the occurrence of an accident, the Company shall:
 - a. Repair the damaged Motor Vehicle or any of its parts, accessories or spare parts and restore the Motor Vehicle to its pre-accident condition.
 - b.  - d. The Company shall pay in cash to the victim/claimant Party, upon their request, the amount of damages (loss or damage) of the damaged parts of the Motor Vehicle in whole or any of its parts, accessories or spare parts and including the charges for installation and replacement of lost or damaged parts at the time of the accident in order to restore the pre-accident condition of the Motor Vehicle.

11. The damaged parts of the Motor Vehicle, for which the first registration and use of which is less than one year, shall be replaced with new original parts with no deduction of a Depreciation Percentage for the victim/claimant Party.
12. If it is agreed with the victim/claimant Third Party to repair the damaged Motor Vehicle, the Insurance Company shall repair the damaged Motor Vehicle at the agency repair shops for the Motor Vehicle if it is in its first year of registration and use.

The Company shall ensure that repair works are carried out according to technical standards and that the repairs are guaranteed by the repair shop. The Company shall ensure that the victim/claimant Third Party is able to have the car checked by any approved motor vehicle test and licensing agency in the state to make sure that the motor vehicle has been properly repaired and it passes any road-worthy test. If it is found that the repairs are below required and recognized technical standards, the Company shall address the issue(s) until the Third Party's motor vehicle is professionally repaired as soon as practically possible.
14. If the victim/claimant Third Party requests that new parts are to be installed in lieu of the parts damaged during the accident, they have to bear the Depreciation Percentage set in Schedule (1) of the final value of the purchase invoice. In case of taxi vehicles, public transport vehicles and rental vehicles, the Depreciation Percentage set in Schedule (2) of the final value of the purchase invoice will be applied.
15. Neither depreciation may be deducted nor used parts be installed if the parts are within the list set out in Schedule (4) of this Policy.
16. The victim/claimant Third Party may repair the damages that occur to the Motor Vehicle as a result of the accident, provided that the estimated repair costs do not exceed the value of repair agreed upon in writing with the Company. The Company may require a proof that the Motor Vehicle repairs have been completed.
17. If durable and hard to replace parts of the Motor Vehicle such as chassis or pillars are damaged and need cutting, tightening or welding as a result of the accident, the Motor Vehicle may be considered a total loss and the Company shall pay compensation according to the market value of the Motor Vehicle at the time of the accident.

18. If the Motor Vehicle is considered as total loss, and the Company compensates the victim/claimant Third Party on that basis, the salvage will be deemed property of the Company. The victim/claimant Third Party may not be charged any expenses related to the transfer of the Motor Vehicle title or issuance of a certificate of ownership of the Motor Vehicle, provided that the Motor Vehicle is free of any obligations against Third Party such as traffic fines or otherwise.
19.
 - a. In case of any conflict between the Company and the victim/claimant Third Party concerning the value of damages or the amount of compensation or determination of the market value of the damaged Motor Vehicle, an Authority-licenced and registered Surveyor and loss adjuster will be appointed to determine the value of the damages or the amount of compensation at the Company's expense.
 - b. If the expert's opinion is not accepted, either party may request the Authority to appoint an expert licenced by it at the expense of that party, and that the expert's charges will eventually be borne by the party for whom the report was not in their favor.
20. In case of an agreement to insure the Insured himself, the Motor Vehicle Driver or any person excluded from the coverage under this Policy, the amount of the death benefit will be determined not less than AED 200,000 (Two Hundred Thousand Emirati Dirhams) at a minimum.
21. The Company may not refuse to compensate the Insured as a result of late notification of the accident, if lateness is attributed to an acceptable excuse.
22. The provisions of this Policy cover the damages to a Third Party caused by a trailer or semi-trailer as long as it is pulled by the vehicle.
23. Neither this Policy nor any rider hereto undermines the right of any person to claim for compensation or recovery of any amount payable under the provisions of any applicable legislation.

Chapter Four: AXA Claims and Complaints Procedure

A. CLAIMS PROCEDURE

What to do in case of an accident?

As per the regulations, in case of an accident You must obtain a police report. The police report is required by AXA to process Your claim but even more importantly is required by the workshop to carry out the repairs on Your vehicle. In case various parties are involved in the accident, the police, based on the accident scene will define the responsibility of each party in the accident. These responsibilities are mentioned on the police report along with a brief description and sketch of the damages occurred to the vehicle(s).

Accordingly in case of an accident You should immediately contact the traffic police department and wait for the police to attend the scene of the accident.

However, please ensure that You are not blocking the traffic to avoid any penalty imposed by the traffic police department.

In the unfortunate case of any bodily injury incurred to You or any of Your passengers, even a minor one, or in case of damage to personal items You should make sure that details are mentioned in the police report in order to get full entitlement of all the benefits described in this booklet.

The workshop which will repair Your Vehicle will only repair the damages mentioned on the police report.

Accordingly We advise You to ensure that these damages are properly mentioned on the Vehicle sketch. In case You wish to repair several damages at the same time, which were caused by several accidents or incidents, You will need to provide separate police reports for each accident/incident that generated the damages on Your vehicle. Based on these police reports, AXA will apply the adequate number of excess. Please bear in mind that the excess mentioned on Your Policy Schedule is applicable for each separate accident/incident generating a damage for which there is no identified responsible third party by the police department.

What happens in case of a Total Loss?

In case the repair costs of Your Vehicle exceeds 50% of the depreciated value of Your Vehicle (as per depreciation Schedule described in this booklet), Your Vehicle will be declared a Total Loss.

You will be responsible for transferring the ownership of the Vehicle to AXA and to provide AXA with the official ownership transfer letter issued by the traffic department. Upon receipt of this letter AXA will reimburse You the depreciated value of Your Vehicle minus applicable Excess.

AXA takes all necessary measures to issue its settlement within five working days upon receipt of the official transfer letter issued by the traffic department.

What happens in case of a court judgment?

On some occasions the police might decide to refer the accident case to the court. This mainly happens in case of a death or bodily injury or in case one of the drivers has infringed the UAE legislations.

In such cases, the matter will be referred to the court. You will be the sole accredited party to attend the court.

AXA will take all the required actions to have Your Vehicle repaired within the shortest period of time; however, AXA will not be able to have Your Vehicle released from the repairer unless the final court judgment is issued.

In case the accident is referred to the court, You need to contact AXA immediately. AXA will reserve the right to appoint a legal representative in order for AXA to manage Your case through its lawyers.

C. FREQUENTLY ASKED QUESTIONS

1. Why can't the insurance and registration be in two different names?

The Policy Holder should normally be both the main driver of the Motorcycle and the registered owner. The Policy Holder must have a financial interest in the Motorcycle. The traffic department will only register a motorcycle in the name stated on the insurance certificate.

2- How do you calculate my insurance Premium?

A number of factors are used to calculate your insurance Premium. Amongst these factors are the age of the driver, length of driving experience, Motorcycle type and value.

3- Why can't the insurance be transferred when the Motorcycle is sold?

As the insurance Premium is affected by the profile of the rider, it is not possible to simply transfer insurance cover from one driver to another. The existing Policy must be cancelled. The new owner will then be given a new insurance policy that is required for registration purposes.

4- Which garages will you use to repair my Motorcycle?

We only use garages that adhere to our strict quality controls. Garages must have experienced qualified personnel and access to sophisticated repair equipment. For this reason we are able to offer a 12 months guarantee on parts and labour for repairs carried out at non-agency garages.

5- How does AXA motorcycle insurance differ from other insurance companies in the market?

AXA provides the highest level of motorcycle protection in the Middle East – combined with the security and service standards of a large international operation, 24 hours accident recovery, guaranteed repairs and extended opening hours. If you are being offered insurance cover from another source at a lower Premium it's probably without some or all of these benefits.

6- Can I choose which garage I want to take my motorcycle to?

If you have opted for Agency Repairs then your motorcycle will be repaired at the main authorised dealership. Otherwise AXA will select one of its authorised repairers. The garage we choose will depend on the motorcycle type, nature of damage and availability.

7- Can the Company cancel my policy?

If applicable in country of residence, the Company may cancel Section 1 of this policy by sending a notice to the Insured, in addition to advising the Ministry of Economy & Commerce about the reasons for cancellation. In such event the Company will return to the Insured the Premium paid less the pro-rata portion thereof for the period the Policy has been in force.

8- Can I cancel my Policy?

The Insured may also cancel Section 1 of this Policy on seven days written notice and provided no claim has arisen during the current period of insurance, the insured shall be entitled to a return of Premium less Premium at the Company's short period rates for the period the Policy has been in force.

9- What happens if I sell my Motorcycle?

If you sell your Motorcycle and do not wish to continue your insurance, as long as you provide proof of transfer and you haven't made any claims, we will work out the Premium for the period we have been insuring you and refund any balance. No refund will be awarded if a claim (being at fault or none at fault) has been declared on the Policy.
