

Employee Benefits - Global Protect Life Plan

Protection that really matters

Assistance services

AXA supports your employees and their families when they need it the most, wherever they are. We manage emergencies during their business or personal trips and ensure they are never alone.

Preparing for the trip

Web-based country and travel destination information:

- Visa requirements
- Immunisation and inoculation recommendations
- Embassy and consulate information
- Useful country-specific information and security advice

Critical support to manage unfortunate events during the trip

Emergency support in case of illness:

- Medical transportation/transfer
- Escort of the beneficiary by a close relative
- Return home to the country of residence of the beneficiary who is under 15 years old
- Send medicines abroad to place of treatment
- Travel ticket for a close relative

Assistance in the event of death:

- Repatriation of the body in the event of death due to illness or accident
- Presence at the place of death of a close relative

Getting through challenging situations

Other support to resolve challenging situations and manage unfortunate events:

- Early return in the event of the death of a close relative
- Information update service in the event of delay in delivery of luggage
- Administrative information service in the event of loss or theft of personal documents
- Referral to trusted interpreters and legal advisor if needed
- Sending urgent messages (related to illness/accident/death of the beneficiary)

Protection for life

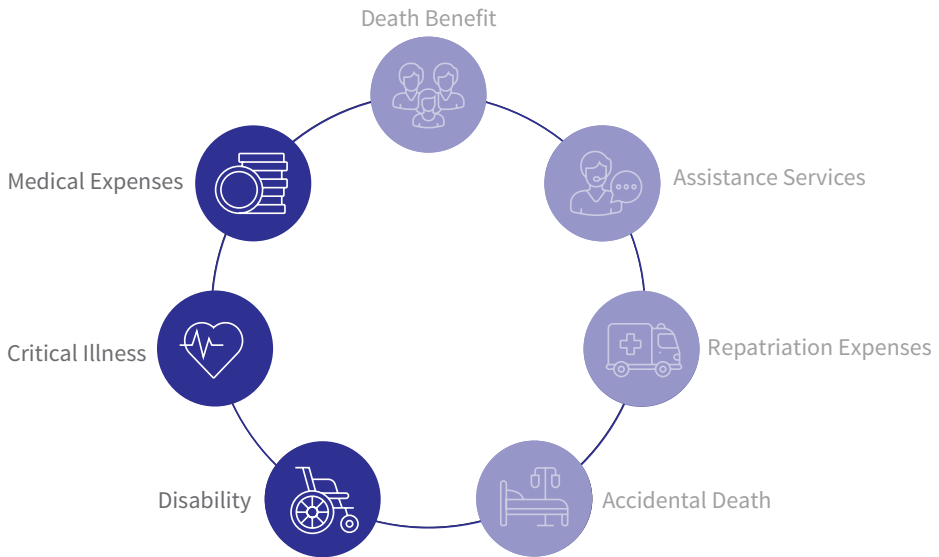

We go beyond the call of duty during an emergency, to support our customers, anytime and anywhere.

With AXA Assistance, we provide ongoing support to your employees and their loved ones, wherever they are travelling to:

- One of the world's largest assistance providers delivering personal, vehicle, property and legal assistance globally.
- The strength of AXA Assistance lies in the way we respond to people when they experience challenging or stressful situations.
- A trained AXA Assistance professional with the appropriate level of expertise, knowledge and resources, to deal with every call.
- A trusted network of 40,000 partners in five continents to help and support customers, no matter where they are.
