Mr. Sabagh had AXA cover for Death and Repatriation expenses in case of an unfortunate event, as part of his employee benefit.

When he passed away due to a stroke during his trip to the United States, his family were able to take care of themselves during that very difficult time. AXA fully settled the cost of the repatriation (AED 60,000) and within 10 working days, Mr. Sabagh's family received a lump sum of AED 500,000 which helped them through their initial administrative obligations and ensured their living standard was not affected.
